2026 ENROLMENTS

Shorncliffe State School has an Enrolment Management Plan. Each year we have a number of families who reside outside our school catchment who would like to enroll their child at our school. To support this, the school opens its Registration List for children wishing to enter Prep and other year levels, at the start of term two the year prior to their enrolment. Please note, children eligible for Prep in 2026 must be born between 01 July 2020 and 30 June 2021.

Enrolment Registration Form is below.

Out of Catchment Enrolments

The waiting list for Out of Catchment 2026 enrolments will open at 9:00am on Tuesday 22 April 2025. Enrolments will not be accepted prior to 9:00am on this date.

**Registration Forms must be submitted via email ONLY to
2026enrolments@shorncliffess.eq.edu.au**

Additional documentation (e.g. proof of residence and date of birth) is NOT required when submitting a Registration Form. **Emails will be ordered by the time they are received after 9am.**

In Catchment & Sibling Enrolments

Families living within our catchment area will be guaranteed an offer of enrolment. Younger siblings of children *currently* enrolled at Shorncliffe State School are also eligible for an in catchment placement. If residing Out of Catchment the older sibling must be enrolled at Shorncliffe SS in 2025.

In order to predict enrolment numbers for 2026 we ask that families residing in catchment and those with younger siblings also *complete a 2026 Registration Form* so we can allocate a place for your child. This form can be submitted to our office at any time after 22 April 2025.

Enrolment offers for *Out of Catchment* places will be made strictly in the order the registration forms are submitted as per our Enrolment Management Plan. These offers are very limited and are subject to vacancies after all in catchment children and siblings have been allocated a place.
