2023 Enrolment Registration

Shorncliffe State School has an Enrolment Management Plan. Each year we have a number of families who reside outside our school catchment who would like to enrol their child at our school. To support this, the school opens its Registration List for children wishing to enter Prep and other year levels, at the start of term two the year prior to their enrolment. Please note, children eligible for Prep in 2023 must be born between 01 July 2017 and 30 June 2018.

Enrolment Registration Form is attached.

Out of Catchment Enrolments

The waiting list for Out of Catchment 2023 enrolments will open at **9:00am on Tuesday 19th April 2022**. Enrolments will not be accepted prior to 9:00am on this date.

Registration Forms are to be submitted via email ONLY to 2023enrolments@shorncliffess.eq.edu.au

Additional documentation (e.g. proof of residence and date of birth) is NOT required when submitting a Registration Form. **Emails will be ordered by the time they are received after 9am.**

In Catchment Enrolments

Families living within our catchment area will be guaranteed an offer of enrolment. Younger siblings of children currently enrolled at Shorncliffe State School are also eligible for an in-catchment placement. If residing Out of Catchment the older sibling must be enrolled at Shorncliffe SS in 2023.

In order to predict enrolment numbers for 2023 we ask that families residing in catchment and those with younger siblings also complete a 2022 Registration Form so we can allocate a place for your child. This form can be submitted to our office at any time after 19 April 2022.

Enrolment offers for **Out of Catchment** places will be made strictly in the order the registration forms are submitted as per our Enrolment Management Plan. These offers are very limited and are subject to vacancies after all in catchment children and siblings have been allocated a place.
